

## Attend the GSBI for Free!

Contributed by Hugh Morrow  
Wednesday, 10 January 2007

The Skoll Foundation is encouraging leading social entrepreneurs to attend the Santa Cruz University's Global Social Benefit Incubator. Room, board and all courses, including tuition and mentoring, are free at the Global Social Benefit Incubator.

However, you will be responsible for all travel expenses from your home country to the Santa Clara University campus, located 50 miles south of San Francisco in California.
